

Summer Reading/Learning Information
2023-2024
3rd Grade

Hello future 3rd grade students and families!

I am requesting that all incoming 3rd graders choose two books from the list below and write a book review for each book you read. This will help prepare your student for a successful year in 3rd grade as well as help me gauge where they are at/what books interest them! You can send your book reviews to rebeccachristiansen@cwscs.org.

OR you can make a video on FlipGrid summarizing your book. Here is the link: <https://flip.com/ab65cca3> Join Code: ab65cca3

****If you are making a FlipGrid, click “join with Google” and use your SCHOOL EMAIL!****

Please choose a book that your student has not read!

- ★ Students will take an AR test on the two books that they read when they return to school in the fall.
- ★ Summaries of the two books are due on or before the first day of school!
- ★ Students should be working on IXL math and language arts skills throughout the summer. They should finish any second grade codes that they have not yet finished (getting to at least a 90% in each code!) I would recommend completing 1-2 skills in math and 1-2 skills in language arts each week to help keep skills fresh.

(The book list is on the back of this page)

BOOK LIST

Choose 2 of the books from this list that you haven't read before and send me a book review before or on the first day of 3rd grade! You can send your book reviews to rebeccachristiansen@cwscs.org or make your FlipGrid at this link:

<https://flip.com/ab65cca3> Join Code: ab65cca3

Happy reading! :)
