Questions

1. Comment on the one personal strength that you feel to be most important to your success in the role of Teaching Assistant and/or After School Program Staff?
2. What do you enjoy most about working with youth?
3. Do you support the following mission statement? How will it influence your work?

Chicago West Side Christian School's mission is to engage children in dynamic Christian education that nurtures and challenges youth to develop intellectually, spiritually, emotionally, creatively and socially so they are equipped to lead and serve as Christians in society.

4. How will you help create a culturally responsive environment for students?
5. A requirement of CWSCS staff is that they are Christians and are faithful members of a Christian church. Please describe how your faith impacts your life and your work.
